## OVERVIEW

Southern States University (SSU) was founded in 1983 and several years ago established an Intensive English Program (IEP) with the mission of providing non-native speakers with English language instruction of the highest quality in order to help them read, write, speak and understand English at increasing levels of proficiency. SSU offers all levels of English instruction, as well as a TOEFL preparation course. Classes are offered in the mornings and all classes are led by trained English teachers.

SSU's pedagogical approach gives students the opportunity to develop a comprehensive set of English language proficiencies, by helping them to master the necessary skills involved in the areas of reading, writing, grammar, conversation, and pronunciation. In addition, SSU offers a preparation course for specialized testing including the TOEFL. SSU's fun, challenging and productive learning environment is well-suited to prepare students for success in their future personal, academic, and professional pursuits.

Of course, Southern States University also offers excellent Bachelor of Business Administration and Master of Business Administration programs. For those who are interested in pursuing careers in business of any sort, SSU is a great place to study. Degree program students at SSU study today's most relevant business topics, including entrepreneurship, international business, finance, and marketing. All courses are led by professors with real-world knowledge and some level of success in their discipline and a variety of courses include hands on experience. A high level of English fluency is required for these programs, and the SSU IEP can prepare you for it quickly.

**SSU's Approval and Accreditation Status** is as follows:

SSU is approved by the *California Bureau for Private Postsecondary Education (BPPE)*, which has some of the most rigorous approval standards of any state in the US.

SSU is accredited by the *Accrediting Council for Independent Colleges and Schools (ACICS)*, an organization that is internationally recognized for demanding high quality standards to be admitted. This school is authorized under Federal law to enroll nonimmigrant alien students.

SSU's campuses are located in two of California's most beautiful and glamorous areas, San Diego and Orange Counties, both of which are ideal locations to live and study. Recreational opportunities abound, all within a few miles of SSU's dynamic campuses, including:

- gorgeous beaches, mountains, and deserts
- high fashion shopping areas
- delicious restaurants and exciting nightclubs
- world renowned amusement parks and attractions

A temperate, dry, climate enables year-round enjoyment of such outdoor activities as hiking, biking, surfing, boating and skating. Of course, Disneyland, Universal Studios, Hollywood, the San Diego Zoo and Sea World are nearby as well. SSU will help you to see them all, including school trips to explore the area's most interesting cultural spots!

## CAMPUSES LOCATIONS

**Our campuses are located in 3 of the most popular areas of Southern California:**

**San Diego (Fashion Valley)** – Southern States University - SSU is facing the largest Shopping Center in San Diego and has plenty of parking. The campus is centrally located surrounded by hotels, restaurants, movie theaters, stores, trolley, buses and has easy access to all freeways and Downtown San Diego. This campus also offers Undergraduate, Graduate and Certificate Programs in the Business Administration field.

**La Jolla** (Spanish for “the jewel”) is centrally located on the beautiful San Diego coastline and is a peaceful area filled with luxury homes, art galleries, exclusive restaurants and many other upscale nightlife options. The campus is just minutes from a popular shopping mall and downtown La Jolla, as well as being walking distance from the University of California San Diego, a movie theater and the bus stop. A computer lounge, study room and private courtyard available to students make this academic environment a place where true learning can thrive in an elegant and beautiful setting.

Courses often incorporate real world materials like newspapers and magazines, video and internet content, guest speakers and field trips to help students with practical, everyday English communications.

“Topic classes” focus on improving conversational skills and giving students the chance to apply what they have learned in their core class. ## APPLICATION PROCESS & PROCEDURES

All non-U.S. residents are required to apply to an educational institution and obtain USCIS Form I-20 from the school, before receiving a student visa. The following steps are required for a non-immigrant, full-time student to study at Southern States University:

- 1) Complete the *SSU Application Form* (page 9-11), signing the first and second pages.
- 2) Provide a copy of a *bank statement* from either a checking or savings account, showing a minimum balance of US \$3,500. For each dependent add an additional \$900. The statement must be in English and show the bank name on official bank letter head, account opened date, account holder name, monetary balance, account number, and the date the statement was created. The statement cannot be more than 12 weeks old when submitted.
- 3) Complete the *Affidavit of Financial Support* (page 12), identifying the source of funds to support the student as they study in the US (students with an F-1 visa are not permitted to work). The sponsor will be the account holder of the bank statement, and will sign the affidavit. The student may be his/her own sponsor. This statement promises that the sponsor will provide financial support for the student for the duration of their studies in the US, and is required by the United States Immigration authorities.

- 4) Submit the US\$ 100 application fee, US\$ 0.00 STRF Fee, US\$ 85 courier fee, and US\$ 400 International Booking Fee.
- 5) Provide a copy of the student's *passport ID page*.
- 6) Provide a clear copy of high school diploma (*no translation needed*).
- 7) Make a visa interview appointment. After the above requirements have been met, SSU will mail the I-20 by express courier to the student or their agent within 2 weeks, along with an acceptance letter and payment receipt. After receiving his/her I-20, the student will contact the US embassy or consulate and schedule a visa interview appointment. This can be done through the US Embassy website at [www.usembassy.gov](http://www.usembassy.gov).
- 8) USCIS charges a "SEVIS fee" of US \$ 200 (a processing fee paid directly to the Department of Homeland Security). Students can pay by credit card at [www.fmjfee.com](http://www.fmjfee.com). This fee must be paid prior to the student's visa interview. The student will then be prompted to print a receipt immediately (Form I-797). A separate receipt will also be mailed to the student but will take 2 weeks for delivery. Please make the payment *well in advance* of the interview to avoid any problems.
- 9) Attend the visa interview. Arrive early and do not bring children with you. Bring the following documents to the visa interview: your *passport*, *Form I-20*, *Form I-797*, the *SSU Acceptance Letter*, *SSU payment receipt*, and a *bank statement* showing sufficient funds to support you during your studies in the US. It will take approximately 30 days for the embassy to process the visa after the interview. Please allow enough time to prepare properly for the interview. If the visa application is denied, the SSU fees will not be refunded, as these fees cover the costs involved with preparing the documentation. If all documents are not provided at the interview, the visa will be denied. You will then have to reapply, and pay additional fees to obtain a new I-20 from SSU.
- 10) Arrange transportation and housing. After you receive your F-1 visa, arrange for your flight to San Diego or Los Angeles and your accommodations. Students may enter the US a *maximum* of 30 days before the start date listed on the I-20. Please be prepared to show your passport, I-20, a completed I-94 (received on the airplane), the Customs Declaration Form, I-797, SSU contact information, SSU payment receipts, and a bank statement to the Immigration Officer at the airport.
- 11) Arrive in beautiful Southern California and begin your study abroad experience! Please inform your SSU campus of your presence within 24 hours of your arrival or your I-20 may be cancelled.

Please be aware that processing times at SSU and the American Embassy may vary. When choosing a start date on the SSU Application Form, please allow enough time to complete this entire process and arrive at school before the start date you select. If you arrive at the airport after the start date listed on your I-20 Form, you *may be refused entry* into the US and forced to return home

### **How to Apply**

Please complete the Application Form and send it to SSU along with the Affidavit of Support, a bank statement, a copy of your passport ID page, a clear copy of high school diploma (*no translation needed*), and the **non-refundable** Administrative Fees. Once SSU receives the complete application, we will confirm your acceptance and forward your acceptance letter, payment receipt and I-20 form (if needed). In the unlikely event that you are denied a visa (overseas students) or SSU refuses your application, any school tuition paid will be returned to you immediately, excluding non-refundable fees.

### **What's included in the Course Price?**

The Intensive program includes eighteen (18) hours of Intensive English classroom instruction per week. SSU also provides guidance and counseling at no extra charge on an as needed basis.

### **Methods of Payment**

All fees can be paid as follows:

- 1 - Credit Card (\$20 processing fee for payment over \$100.00)
- 2 - Wire Transfer (from your bank to SSU's bank) (Add \$30 wire fee)
- 3 - Bank Check or Cashier's Check
- 4 - International Money Order
- 5 - Travelers Check

All payments should be made payable to **Southern States University - SSU**, and should reference the student's full name.

### **Terms of Payment**

The Application Fee is non-refundable, and covers all costs associated with registration costs and/or pre-departure support. With confirmation of a student's acceptance, he/she is invoiced for the full amount of the course fee. The first month payment is due upon receipt of invoice. No I-20 form will be issued without full payment of the first month's fees. Students residing outside of the United States must also pay an International Student Fee, as well as a courier fee (for delivery of the student's I-20). Once the student obtains his/her visa, any remaining balance on the student's account must be paid in full prior to taking the placement test.

### **Accommodations**

SSU can assist in placing students with the following housing options: (i) a single or shared room in a student dormitory environment, or (ii) a room in a home living with an American Host Family. Hotels and hostels are also available upon request.

### **Arrival and Airport Transfers**

Upon arrival at the student's destination airport, SSU staff is happy to meet him/her at the airport and escort him/her to the accommodation they have reserved. There is an additional \$50 - \$200 fee for this service.

### **Age**

SSU welcomes all students over 18 years of age.

### **Books**

All students are required to have the appropriate books before the start of their first class. SSU sells these books or students can purchase them at most bookstores or online. The Course Materials Fee is non-refundable payment.

### **Holidays and Days Off**

Classes are not held (and school facilities are usually closed) on national holidays. SSU publishes an annual academic calendar (which can be found on the SSU website) where these days off are identified.

### **Cancellation**

Cancellation can only be granted prior to the start of a program. In the event a student cancels after fees have been billed and paid, the Application Fee, International Student Fee, Courier Fee and Accommodation placement fees are not refundable. The tuition is fully refundable, so long as the student cancels in writing, prior to the first day of classes.

### **Withdrawal**

Withdrawal means leaving the course once it has begun. There is no refund for a four week period, once the student has taken the placement test or attended the first day of a four week session.

### **Example of the Refund Policy**

A student enrolls in an 8 week course and pays \$700 tuition. The student withdraws after completing 3 weeks of the course and presents evidence for the cancellation. The refund would be calculated as follows:

$$\begin{array}{r r r r r r r r r} \$700 & - & (\$87.50 & \times & 4) & = & \$350 \\ (8 \text{ weeks of tuition}) & & (\text{Prorated weekly}) & & (4\text{-weeks minimum}) & & (\text{Amount of refund}) \end{array}$$

### **Program Length**

SSU's IEP programs run on two 13 week quarter system; however, students can enter a program during any week of the quarter. Students begin by taking a placement exam the week prior to beginning classes, and new students all begin their studies on Monday. The minimum enrollment period is four (4) weeks, and the maximum enrollment period varies depending on (i) the level of English skill the student arrives with, (ii) the desired English skill level when they leave, and (iii) the speed at which they progress through the program. Students who maintain 80% (or better) attendance are entitled to receive a "Certificate of Participation" or a "Certificate of Completion" for each program they complete, and when they leave SSU.

### **Medical Insurance**

All students studying in the USA are encouraged to have accident and health insurance. SSU has negotiated favorable premiums for SSU students with an international insurance company. The cost of coverage varies depending on the length of stay in the USA. Insurance information can be obtained from the SSU website ([www.ssu.edu](http://www.ssu.edu)).

### **Late Arrivals and Absences**

If a student does not come to class, or arrives more than 15 minutes late to class, he/she is marked absent and no refund for this missed class time will be provided. Periods of absence or tardiness may not be compensated with free extension of the course.

### **Liability**

SSU is not liable in any way to the student in the event that any service to be supplied by SSU becomes impossible to supply by reason outside of the control of SSU, nor will SSU be liable for loss, damage, or injury to persons or property howsoever caused.

### **Substitution Policy**

If a student, after the Placement Test, is found to be at a level lower than the minimum starting level of the course, the school reserves the right to place the student in a class with fewer lessons and a different curriculum. SSU also reserves the right to substitute or cancel courses due to insufficient demand.

I fully understand the terms, conditions, costs, cancellation and refund policy as outlined in the General Information and Application Form. I affirm that I have sufficient funds to cover all costs for tuition, accommodations and expenses during my studies at SSU. In the event of illness and/or injury, I authorize SSU to take appropriate action for my care. I further understand that I am required to have accident and health insurance and I am responsible for any and all medical bills incurred.

This agreement is a legally binding instrument when signed by the student and accepted by the school.
