These cities boast large student populations, and are ideal places to live and study. Recreational opportunities abound, all within a few miles of SSU's dynamic campuses, including gorgeous beaches, mountains, deserts, high fashion shopping areas, delicious restaurants, and exciting nightclubs. A good temperate, usually dry climate, enables year-round enjoyment of such outdoor activities as hiking, biking, surfing, boating, and skating. **REGISTRATION PROCEDURES + HOW TO OBTAIN STUDENT VISA
(I-20 FORM)
- FOR DEGREE AND CERTIFICATE STUDENTS ONLY -**

All non-U.S. residents seeking admissions into a **degree or certificate program** are required to apply for an I-20 document and a student visa. **International students wishing to enroll in the degree or certificates programs online are exempt from this requirement as the I-20 is not required for international students that are living outside of the US and that are enrolled in online-only programs** The following steps are required for each student to register and to obtain the I-20 document, which, in turn, is required to obtain a student visa:

- 1) Fill out the Enrollment Agreement in its entirety.
- 2) The student must provide a copy of a bank statement from either a checking or savings account, showing a minimum balance of US \$5,000 for MBA, BBA, Certificate, and MSIT Students, for the first month for which he/she wishes to be enrolled.
- 3) A *Statement of Financial Support* must be provided, identifying the source of funds for all months after the first month. This statement is required by the United States Immigration authorities to prove that the student has sufficient financial support to remain in the U.S. without employment.
- 4) Submit the US \$100 Application Fee, US \$85 Courier Fee, and US \$150 International Registration Fee.
- 5) The student must be admitted into the program to which he/she applied.

After the above requirements have been met, SSU will issue an I-20 document and will send it along with an *Acceptance Letter* to the prospective student.

The Immigration Service charges a “SEVIS fee” of US \$200 (a processing fee paid directly to the Department of Homeland Security). This is payable by the student online. Students can do so by going to the website www.fmjfee.com. This fee should be paid *at least* three days prior to the student’s appointment at the American Consulate. The student should print out a receipt, and must take this receipt to his or her appointment with the American Consulate.

With the SSU documents and the SEVIS fee receipt, the student is prepared for his/her appointment to request a student visa from the American Consulate. In the case of a visa denial, the \$100 Application Fee and \$150 International Registration Fee *will not* be refunded to the student, because these fees cover the costs involved in preparing the documentation. With a visa approval, students will be charged a \$250 International Enrollment Fee.

Note: The Professional Program does not issue I-20s (student visa). The I-20 is not required for the degree and certificates programs if enrolled in them online only.
