5 CCR §76215(b): The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education. STUDENT LOANS

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. **Ed. Code §94911 (f)**

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

(2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid. **Ed. Code §94911 (g)(1)(2)**

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid for attendance through the first class session or the seventh day after enrollment, whichever is later.

To cancel enrollment and/or obtain a refund, the student must provide written notice to the Office of the Registrar. If the student cancels the Agreement, the School will refund any money that s/he has paid, less any deduction for nonrefundable fees, and for any equipment not returned in good condition; within thirty days after his/her Notice of Cancellation is received.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. SSU does not currently participate in federal aid programs.

To cancel enrollment and/or obtain a refund, the student must provide written notice to the Office of Registrar, Southern States University, by mail at 123 Camino de la Reina, Suite 100 East, San Diego, CA, 92108, or by email at LMartin@ssu.edu

STUDENT'S REFUND POLICY

Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. Students who withdraw before 60% of a quarter is completed are eligible to receive a partial refund of tuition and fees paid. Students have a right to cancel their enrollment agreement and obtain a refund by submitting a *Withdrawal Form* to the Registrar's Office prior to the withdrawal deadline. Only when the completed *Withdrawal Form* has been submitted to the Registrar's Office does the withdrawal become official. The effective date used to determine a refund of fees will be based and computed from the last possible date of class attendance (regardless of whether the student attended).

Refunds will be made within 30 days of official withdrawal, or within 30 days of the date of the last possible day of the student's attendance. The refund distribution will be handled as prescribed by federal and state law, as well as according to accrediting body regulations. The refund procedure is uniformly applied to all students, regardless of the form of their tuition payment. In case of conflicting laws and/or regulations, Federal and/or State regulations will take precedence in that order. A student may receive a refund check only when the refund amount exceeds the balance that he/she owes to the University. The basis for refunds is as follows:

Students who cancel their registration and withdraw from the University on or before the first day of a term are eligible for a full refund of all fees paid for that term (and any future terms that have been prepaid) less the nonrefundable fees. For an example please see below:

$$\text{Refund Amount} = \text{All prepaid amounts} - (\text{non-refundable fees})$$

Students who withdraw from the University after the first day of the term, but prior to completion of greater than 60% of the education program, are entitled to a refund on a prorated basis, less the non-refundable fees. Please see the example below:

$$\text{Refund Amount} = [(\text{all prepaid tuition for the courses being withdrawn from}) \times (\text{weeks left to be completed} / \text{total number of weeks in quarter})] - (\text{non-refundable fees})$$

If the (weeks left to be completed / total number of weeks in quarter) is less than 40%, then no refund is due to the student.
