SOUTHERN STATES UNIVERSITY

OVERVIEW

Southern States University (SSU) is an accredited American university, providing quality education since its inception in Southern California in 1983.

SSU provides the highest standard of instruction, while offering excellent prices, which is evident when comparing **SSU** to other U.S. universities.

MISSION STATEMENT

Southern States University's mission is to offer competitive and professionally-recognized academic degree and certificate programs, to serve a culturally diverse student community, and to facilitate international awareness amongst our students. We are committed to improving our students' career options and opportunities, and will accomplish this by delivering cutting-edge content, teaching both the fundamental and advanced skills needed to succeed in today's competitive marketplace.

SSU is:

- Accredited by the Accrediting Council for Independent Colleges and Schools (ACICS), an agency recognized by the United States Department of Education.
- Approved by the California Bureau of Private Postsecondary and Vocational Education (BPPVE), which has some of the most rigorous approval standards of any state in the U.S.
- Authorized by the Department of Homeland Security (DHS) to issue I-20s, which is the legal document required to obtain a student VISA for studies at the university.

SSU offers the following professionally-based degree programs:

- Bachelor of Business Administration (BBA)
- Master of Business Administration (MBA)

SSU also offers a full spectrum of Intensive **English programs**, from introductory English to TOEFL preparation. Non-English speakers may elect to combine Intensive English studies with a degree program, thus continuing to improve their English skills while advancing toward a degree.

In addition, **SSU** provides select classes on-line, via the internet, through a customized website.

I-20s are not available to online students. However, international students who are taking residential (in the classroom) classes may also take online classes.

SOUTHERN STATES UNIVERSITY

SSU has several campuses that are located in two of California's most beautiful and glamorous cities, San Diego and Newport Beach. Both cities boast large student populations, and are ideal places to live and study. Recreational opportunities abound, all within a few miles of SSU's dynamic campuses, including:

- gorgeous beaches, mountains and deserts
- high fashion shopping areas
- delicious restaurants and exciting nightclubs

A temperate, usually dry climate enables year-round enjoyment of such outdoor activities as hiking, biking, surfing, boating and skating. Of course, Disneyland, Universal Studios, Hollywood, the San Diego Zoo and Sea World are nearby as well, and SSU will help you to see it all, including seasonal school trips to explore the area's most interesting cultural spots!

SSU ACADEMIC PROGRAMS

Bachelor of Business Administration (BBA)

- 14 – 40 hour classes (4 Quarter Credits per course)

- Delivers the latest management concepts and business applications within both an academic and experiential framework, by combining theory and case studies with real-life business settings.

REGISTRATION PROCEDURES + HOW TO OBTAIN AN I-20 FORM

All non-U.S. residents are required to apply for an I-20 document and a student visa. The following steps are required for each student to register and to obtain the I-20 document, which, in turn, is required to obtain a student visa:

- 1) Fill out the application form in its entirety – see pages 8-9.
- 2) The student must show a copy of a bank statement from either a checking or savings account, showing a minimum balance of US \$5,000 for MBA and BBA Students, for the first month for which he/she wishes to be enrolled.
- 3) A *Statement of Financial Support* must be provided, identifying the source of funds for all months after the first month – see page 16-17.

This statement is required by the United States Immigration authorities to prove that the student has sufficient financial support to remain in the U.S.A. without employment.

- 4) The student must pay a non-refundable Application Fee of US \$100.
- 5) The student must pay a shipping fee of US \$85 for overnight shipping services, which will be used to send the necessary documents to the student, and which he or she must then take to the American Consulate to obtain a student visa.
- 6) The student must be admitted into the program he/she wishes to study in.

After the above requirements have been met, SSU will issue an I-20 document and will send it along with an *Acceptance Letter* from the University to the student.

The Immigration Service charges a “SEVIS fee” of US \$200 (a processing fee paid directly to the Department of Homeland Security). This is payable by the student online. Students can do so by going to the website www.fmjfee.com. This fee should be paid *at least* three days prior to the student’s appointment at the American Consulate. The student should print out a receipt, and must take this receipt to his or her appointment with the American Consulate.

With the SSU documents and the SEVIS fee receipt, the student is prepared for his/her appointment to request a student visa from the American Consulate. In the case of a visa denial, the \$100 Application Fee and any FedEx charges *will not* be refunded to the student, because these fees cover the costs involved in preparing the documentation.

SOUTHERN STATES UNIVERSITY

HEALTH INSURANCE

Health Insurance is mandatory for all M-1/F-1 Students. Medical care in the United States can be quite expensive. As a full time student, the student is required to show proof that s/he has medical insurance before they can be enrolled in classes.

It is the student's responsibility to provide SSU with evidence of insurance before being enrolled in classes.

For information purposes, here are three possible sources for insurance. Their inclusion here is not meant as a recommendation, and students may select any insurer they choose.

- Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at:

- Prior to the execution of an enrollment agreement, the information required to be disclosed pursuant to subdivisions (a) to (d), inclusive, of Section 94910 shall be signed and dated by the institution and the student.
- The MBA and BBA programs at Southern States University may lead to employment in a variety of fields. However, the programs are not designed to lead to, nor does SSU make any claim related to, preparing students for any particular career, occupation, vocation, job, or job title.

* For the MBA program, these rates were calculated as the number of students who started the program in the years 2007, 2008 and 2009 and completed it within three years (150% of the expected time for completion), divided by the total number of students who started the program 2006, 2007 and 2008, in accordance with the definition of "graduation rate" published by the Integrated Postsecondary Education Data System (IPEDS). See <http://nces.ed.gov/ipeds/glossary>.

Some MBA students who started in 2009 are still active and may still complete the program within three years of their start date. This fact sheet will be updated accordingly for 2012.

The SSU BBA Program began in 2008, and is expected to take four years. The Maximum Time Frame for completion is six years, so students who started in 2008 could still finish by 2014. However, of the 16 students who started in 2008, seven have finished, seven have withdrawn, and two remain in the program.

STUDENT TUITION RECOVERY FUND

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered students who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party."

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, P.O. Box 980818, West Sacramento, CA 95798-0818, www.bppe.ca.gov, 1-800-370-7589.
