## **A MESSAGE FROM THE CHANCELLOR**

Southern States University was first established over 25 years ago in Orange County, California and in 2005 was acquired by an education-focused corporation, which immediately re-directed the University and its programs to better reflect the needs of today's global business community. Since January 2006, SSU has grown from less than 10 students in one location to over 1,000 students studying in two Degree Programs (BBA & MBA) and an Intensive English Program at three campuses in San Diego and Orange Counties in Southern California. The quality, depth and breadth of our faculty, students and staff have been steadily improving quarter-by-quarter, year-by-year, culminating in SSU being granted national accreditation in August 2010, by the Accrediting Council of Independent Colleges and Schools (ACICS).

Our mission is to educate the leaders of tomorrow, while preparing you to develop and achieve your personal and professional goals. Our Bachelor of Business Administration (BBA) and Master of Business Administration (MBA) Degree Programs have been designed to train you to succeed in the business world, and to develop tomorrow's business leaders. SSU also offers a world-class Intensive English Program to help non-native English speakers improve their English comprehension, reading, writing and speaking skills, and ultimately to prepare for University level studies.

Please spend a few minutes reviewing this catalog, the purpose of which is to accurately detail everything our students need to know about being a registered student at SSU. In addition to providing a listing and description of all of the classes offered at the University, this Catalog provides answers to most of the questions you may have regarding items such as pricing, schedules, policies and procedures. If you don't find all of the answers here, our faculty and staff are always available and happy to help you with any questions you might have.

Please let us know if there is anything we can do to serve you better. Everyone in our administration values your feedback, and I am always personally interested in hearing from students, as we continue striving to provide each of you with the highest quality educational experience.

I would like to warmly welcome you to our community of international scholars at Southern States University. I sincerely hope and expect that you will have a wonderful experience with us!

Sincerely,

**John D. Tucker**  
Chancellor

### **On Campus Residential Education**

Residential instruction occurs in a classroom setting throughout the year at various Southern States University locations. Students are encouraged to visit our website at [www.ssu.edu](http://www.ssu.edu) to view the current course schedule. Once enrolled, students are encouraged to use SSU's on-campus and virtual libraries, and local public libraries to find resources and information they need as they progress through their individual program of study.

SSU offers the following programs in a classroom setting:

- Bachelor of Business Administration (BBA)
- Master of Business Administration (MBA)
- Intensive English Program (IEP) – beginner through advanced

### **Online Distance Learning**

For online instruction, students access SSU's online courses via the internet, utilizing a web based e-learning and course management platform and collaborate via an internet e-learning portal with Faculty and other students on a regular basis. In this modality, courses require that students complete at least an equivalent amount of work as required for a traditionally delivered course so that the acquired levels of knowledge, skills and/or competencies are at least equivalent to those acquired in a traditional format. Faculty may employ the same types of learning activities found in traditional courses, such as case studies, research projects and examinations, as well as require interaction with the Faculty and the other students via chat sessions and online discussion boards. Typically, interaction occurs throughout the week, with assignments returned weekly.

SSU offers online courses in the following degree programs:

- Bachelor of Business Administration (BBA)
- Master of Business Administration (MBA)

Students may take up to 50% of the total required program classes via an online modality.

International students with F-1 Visas may only enroll in online courses if they are simultaneously taking the required minimum residential courses in SSU's BBA (two courses minimum) or MBA (one course minimum) programs.

To participate in distance learning instruction, students must be able to use a computer and have internet access. Students must have a computer with the following minimum configuration:

- Windows XP or Vista, or Mac OS 10.x or above

## **TUITION, FEES, INCIDENTAL PROGRAM COSTS**

Tuition, fees and incidental program costs are included in the Catalog Supplement, which is included as part of this Catalog and can be found on pages 66 to 68.

### **Tuition Payment Policies**

#### **Tuition Policy for Monthly Installment Payment Plan**

Students on a monthly installment payment plan are required to make their payments by the first day of each quarter, and subsequent installment payments on the 15<sup>th</sup> of the following month. Students who pay after the first day of the quarter (or after the 15<sup>th</sup> of the following months) will be subject to a 10% late fee. Starting on the 5<sup>th</sup> day, an additional \$5 late fee will be charged per day. The Bursar will notify the student by email, with a copy to the University Registrar, that they will be dropped from their classes if they have failed to pay by the 15<sup>th</sup> day. Unless evidence of legitimate mitigating circumstances can be verified by the Bursar, after the 15<sup>th</sup> day, students who are still behind in their payments will be dropped from their current classes.

International students dropped from their current classes must by law have their I-20 forms immediately terminated. This will also result in administrative dismissal from the University. Therefore, these students will need to consult immediately with their respective Designated School Official (DSO).

#### **Tuition Policy for Quarterly Payment Plan**

Students on a quarterly payment plan are required to make their payment by the first day of regular classes in each academic term. Students who fail to submit timely payments will be automatically dropped from their current classes.

International students dropped from their current classes must by law have their I-20 forms immediately terminated. This will also result in administrative dismissal from the University. Therefore, these students will need to consult immediately with their respective Designated School Official (DSO).

At the student's option, SSU will accept payment in full for tuition and fees after the student has been accepted and enrolled and the date of the first class session is disclosed on the enrollment agreement.

#### **Financial Obligations**

All accounts 30 days past due may be sent to a collection agency, and students with accounts 30 or more days past due will be dismissed from the program unless evidence of legitimate mitigating circumstances can be verified by the Bursar. Readmission to the University will not be considered until these outstanding obligations are met.

#### **Student Refund Policy / Student's Right to Cancel**

The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid for attendance through the first class session or the seventh day after enrollment, whichever is later. To cancel enrollment and/or obtain a refund, the student must provide written notice to the Office of the Registrar.

If the student cancels the Agreement, the School will refund any money that s/he has paid, less any deduction for non-refundable fees, and for any equipment not returned in good condition, within thirty days after his/her Notice of Cancellation is received.

Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. Students who withdraw before 60% of a quarter is completed are eligible to receive a partial refund of tuition and fees paid. Students have a right to cancel their enrollment agreement and obtain a refund by submitting a *Withdrawal Form* to the Registrar's Office prior to the withdrawal deadline. Only when the completed *Withdrawal Form* has been submitted to the Registrar's Office does the withdrawal become official. The effective date used to determine a refund of fees will be based and computed from the last possible date of class attendance (regardless of whether the student attended).

Refunds will be made within 30 days of official withdrawal, or within 30 days of the date of the last possible day of the student's attendance. The refund distribution will be handled as prescribed by federal and state law, as well as according to accrediting body regulations. The refund procedure is uniformly applied to all students, regardless of the form of their tuition payment. In case of conflicting laws and/or regulations, Federal and/or State regulations will take precedence in that order. A student may receive a refund check only when the refund amount exceeds the balance that he/she owes to the University. The basis for refunds is as follows:

Students who cancel their registration and withdraw from the University on or before the first day of a term are eligible for a full refund of all fees paid for that term (and any future terms that have been prepaid) less the nonrefundable fees. For an example please see below:

$$\text{Refund Amount} = \text{All prepaid amounts} - (\text{non-refundable fees})$$

Students who withdraw from the University after the first day of the term, but prior to completion of greater than 60% of the quarter, are entitled to a refund on a prorated basis, less the non-refundable fees. Please see the example below:

$$\text{Refund Amount} = [(\text{all prepaid tuition for the courses being withdrawn from}) \times (\text{weeks left to be completed} / \text{total number of weeks in quarter})] - (\text{non-refundable fees})$$

If the (weeks left to be completed / total number of weeks in quarter) is less than 40%, then no refund is due to the student.

If the University cancels or discontinues a course, students will receive a full refund of all tuition and applicable fees for that course, or a credit of the same amount to be applied to an equivalent SSU course. If the University cancels or discontinues a program, students will receive a full refund of all tuition and fees (refundable fees) already paid by them toward that program, or a credit of the same amount to be applied to a different SSU program. Refunds will be made within 30 days of the last official day of class or of the program.

## **Student Tuition Recovery Fund**

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education. You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party."

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, P.O. Box 980818, West Sacramento, CA 95798-0818, [www.bppe.ca.gov](http://www.bppe.ca.gov), 1-800-370-7589.

## **Federal and State Financial Aid Programs**

Southern States University does not currently participate in any federal or state financial aid programs. Students are expected to make arrangements to pay for their own tuition and incidental fees.

## **Scholarships**

Southern States University does not offer scholarships for any of its programs at this time.

## **INTERNATIONAL STUDENTS**

For purposes of admission, an international student is defined as “a student who is, or will be, in the United States on a nonimmigrant student visa.” This specifically refers to the Student (F) and Exchange Visitor (J) Visas. International student admission requirements apply to international students on F or J visas.

In addition to the general admission requirements listed in the *Admissions Rules and Standards* for the BBA and MBA programs, the following regulations apply to all international students:

1. Official transcripts of the student’s academic records (mark sheets) from all universities previously attended, evaluated by an NACES approved organization: (<http://www.naces.org/member.htm>), must be submitted to SSU. Both a copy of the official foreign academic record and an official English translation must be included.
2. Students in the United States on F-1 visas do not typically have employment authorization. U.S. Government regulations require international students to certify that they have sufficient finances to pursue their studies *without the need for employment*. Thus, international students should not expect to support themselves through employment while attending the university.
3. International students in good academic standing have the option to apply for CPT after completing at least one continuous academic year. Through CPT, students can work part-time (20 hours or less per week) or full-time (20 hours or more per week) in a job integrally related to their curricular field of study. Full-time CPT will only be authorized when classes are not in session or if the student is on their normal approved academic break quarter. CPT work authorization is granted by the DSO.
4. International students who complete their degree program studies, can qualify to apply for Post-Completion OPT. If approved for work authorization through OPT, students are required to obtain employment directly related to their field of study within 90 days of receipt of their Employment Authorization Document (EAD) card and can work full-time for up to one year. Students need to contact their DSO prior to filing the OPT documentation with USCIS. For more information, check the [instructions for Form I-765](#) on the USCIS website. International students can start working as soon as they receive the EAD card.

Note: There are two different kinds of OPT: pre-completion OPT and post-completion OPT. In order to use OPT before completing their program, students should apply for pre-completion OPT. It is recommended to apply for pre-completion OPT only if students have exhausted their eligibility for CPT. Pre-completion OPT ends on the student’s program end date. After this occurs, students can apply for post-completion OPT. However, any time spent using pre-completion OPT will be deducted from the student’s post-completion OPT eligible period. Part-time OPT will be deducted at half the full-time rate. SSU’s DSO is always available to assist students when they need advice concerning these options

5. Holders of F-1 student visas must maintain a full course of study and make normal academic progress, which is defined as follows:
  - a. Undergraduate students: a minimum of three classes per academic term.
  - b. Graduate students: a minimum of two classes per academic term.

### **English Documentation**

All documents must be in English. For all non-English documents, a certified and signed English translation must be attached. For official bank statements **only**, an administrator on campus may be available to translate the document into English.

### **Visa Services**

Southern States University does not offer visa services to students. Upon admission into the university, international students are provided with an Acceptance Letter and Form I-20 for their visa interview at a U.S. embassy or consulate. The university can provide a Verification of Enrollment letter upon request to confirm the student's enrollment at the university.

## **International Students Transferring from Other Schools to SSU Must Provide:**

- Official transcripts from all other universities or institutions previously attended, evaluated by an NACES approved organization (<http://www.naces.org/members.htm>);
- Course descriptions and syllabi for all transfer credit courses;
- School transfer documentation;
- Copy of the student's most recent I-20 form

## **Form I-20: The Certificate of Eligibility for Nonimmigrant (M-1/F-1) Student Status**

Form I-20 [Certificate of Eligibility for Nonimmigrant (M-1/F-1) Student Status] is issued by U.S. institutions to students holding an M-1 or F-1 visa for the purposes of study in the U.S. Students with this status must receive a Form I-20 before beginning their coursework at SSU. To receive a Form I-20, the student must first be granted admission to SSU. F-1 student visa holders are required to demonstrate sufficient funding to cover the cost of living and academic expenses while studying at the university.

## **Health Insurance**

Health insurance is mandatory for students on F-1 visas enrolled in a MBA or BBA program. Such students must show proof of health insurance in order to be enrolled in classes.

## **Maintaining Legal Status**

It is very important that M-1/F-1 students maintain legal status while studying at SSU. In order to maintain legal status, the student must:

- have a valid passport;
- be enrolled as a full-time student and in attendance at the school that issued the Form I-20;
- report address changes within 10 days;
- maintain a cumulative GPA sufficient to remain in good academic standing with the University;
  - ❖ Students who are not making Satisfactory Academic Progress (SAP) may be placed on academic probation, the terms of which include a designated time frame in which the student must return their GPA to SAP standards or be dismissed from the University.
  - ❖ If an international student is dismissed from the University, the DSO must report the termination to SEVIS.
- notify the Designated School Official (DSO) prior to traveling outside the USA;
- notify the DSO upon applying for change of nonimmigrant status;
- notify the DSO upon approval of an adjustment of status to an immigrant;
- consult with the DSO about possible program extension (if needed).

An international student attending on a student visa may be administratively dismissed from classes if that student fails to meet the terms and conditions of the visa. See page. 23 of this Catalog for the Administrative Dismissal policy.

# **SCHOLASTIC RULES, REGULATIONS, AND ACADEMIC POLICIES**

## **Attendance**

As regular attendance and academic achievement are closely linked, University policies concerning student attendance are necessary for ensuring students are meeting the terms of satisfactory academic progress.

It is the policy of the University that once a student is registered in a course, s/he is required to be regular and punctual in class attendance. Class absence DOES NOT excuse the student from learning course material, from submitting required assignments on time, and/or from fulfilling other course requirements. An excused absence is defined as an absence due to legitimate mitigating circumstances (e.g., death in the family, sickness of the student, etc.) that can be documented. When an excused absence is accepted, the student shall still be held to the same standard for making up missed class work, assignments and/or examinations.

Faculty maintain records of student attendance in SSU classes and supply these records to the University for the purposes of advising and/or monitoring the performance of students, especially those on academic probation. At SSU more than four absences (including excused absences) in a course is considered excessive. Students who have more than four absences in a class will receive a failing grade ("F"). Absences are counted from the first official meeting of the class regardless of the date of a student's enrollment. Consequently, a student who registers late must carefully monitor their regular attendance during the remainder of the term.

Regarding online courses, it is the policy of the University that students are required to participate every week in their online course(s) by accessing all the required reading material and assignments made available for a course through the school's online course management system and by submitting or completing the weekly assignments by their due dates. Students that do not submit or complete the required assignments (including online discussions) will be marked absent for the entire week in which those assignments were due. Students who have more than four absences in an online class will receive a failing grade ("F").

## **Credit/Hours**

Southern States University uses a quarter credit system in which credit hour are awarded based on the assessment of the knowledge, skills, or competencies acquired. For traditionally delivered courses, each unit of credit is equivalent to, at a minimum, either one hour of classroom study and outside preparation, two hours of laboratory work, three hours of internship or practicum, or a combination of the three times the number of weeks in the term. For nontraditionally delivered courses, each unit of awarded credit is determined to ensure that at least an equivalent amount of work to that in a traditionally delivered course is required, so that the acquired levels of knowledge, skills, and/or competencies is at least equivalent to those acquired in a traditional format.

## Undergraduate and Graduate Grading System

Grade	Definition	Grade Points
A		4.0
A-		3.7
B+		3.3
B		3.0
B-		2.7
C+		2.3
C		2.0
D		1.0
F		0.0
NP	Not Pass	N/A
P	Pass	N/A
I	Incomplete	N/A
W	Withdrawal	N/A
T	Transfer Credit	N/A
R	Repeated Course	N/A
AU	Audit	N/A

### Grading Definition Explanations

- N/A – Indicates points will not be included in grade point average calculation.
- “P” - Pass. Indicates credit granted with no grade points being assigned.
- “NP” - Not Pass. Indicates no credit or grade points being granted.
- “I” - Incomplete. Given to a student who has not completed mandatory assignments, quizzes, or examinations, at the discretion of the instructor. An incomplete grade will only be given to students who have completed at least seventy percent of a course and cannot continue due to unforeseen circumstances. Final discretion is given to the instructor as to whether this grade is appropriate. Incomplete(s) must be removed no later than one quarter following the quarter in which the “I” is received. An “I” not removed within one quarter will become an “F”. No grade points are assigned for an “I” grade. An “F” will be calculated into the grade point average.
- “W” - Withdrawal from the class. This occurs if a student chooses to withdraw from a class after the close of business following the seventh day of the quarter start date. Students can withdraw from a class until the end of the seventh week of the quarter (at the close of business). For specific withdrawal deadlines, students are encouraged to consult the Academic Calendar. Withdrawals remain on the transcript, and no grade points are assigned. “W” is a permanent grade.
- “T” - Transfer. This is for transferred credit; no grade is assigned for each transferred class, and the credit is not entered into grade point average.
- “R” - Repeat. Students may be required to, or may choose to repeat a class in order to improve academic performance. BBA students may repeat up to four courses, while MBA students may repeat up to two courses. Classes may only be repeated one time. Students may not repeat courses in which

a grade of “B” or better has been earned. If a higher grade is earned on the subsequent attempt, then the new grade will be included in the GPA computation. The first attempt will be notated with an “R” on official transcripts, but will not be included into GPA calculations. Students will be charged the full tuition rate when repeating a course.

- “AU” - Audit. Students can audit a class. This does not require students to actively participate in regularly graded activities. Audited classes are subject to a special tuition rate and have no effect on GPA calculations or Satisfactory Academic Progress (SAP).

### **Computing Cumulative Grade Point Averages (GPA)**

A student’s cumulative grade point average is calculated only from courses for which the student is assigned grade points, and then using the following process: a) Multiply the number of credits for each course by grade points associated with the grade earned; b) Total the grade points earned for all the courses attempted, c) Divide the total grade points earned by the total number of credits for those classes.

### **Grade Appeals Policy**

The University recognizes Faculty’s authority to determine student grades. Faculty are required to articulate and document their course requirements and standards of performance in their course syllabi. All grades submitted to the Registrar, reflecting these articulated course requirements and standards of performance, are assumed to be accurate and final. If a student has an issue about an assigned grade, the student should first consult with the Faculty. If, at the conclusion of any such consultation, the student does not believe the issue has been resolved and believes there are legitimate grounds for appealing the grade, the student may file a formal Grade Appeal.

A formal Grade Appeal can be filed when a student can document any of the following:

- An error in calculating the grade has occurred, including situations in which properly and timely submitted assignments have not been accounted for;
- There has been a failure of the Faculty to properly notify students of the course requirements and standards of performance;
- A student’s grade is the result of any unlawful discrimination or sexual harassment as comports with the University’s policies regarding discrimination.

To be considered, a student’s Grade Appeal must be submitted within one academic quarter after the grade has been submitted, and must include any and all evidence and documentation that demonstrates the occurrence of one (or more) of the above-listed grounds for appeal.

A student may file a formal Grade Appeal by submitting a Grade Appeal Form to the Chief Academic Officer detailing the reason or reasons for the appeal of the grade (as articulated above) and including any supporting documentation. The burden is on the student to prove the existence or occurrence of one (or more) of the grounds for appeal.

Grade Appeals will be forwarded to Faculty for a response, and this response must be submitted to the Chief Academic Officer within 10 days of receipt. A final decision by the Chief Academic Officer will be rendered within 30 days of the receipt of the Faculty’s response. The decision of the Chief Academic Officer is final and cannot be appealed.

## **ACADEMIC INTEGRITY**

**Academic misconduct:** The University does not condone acts that transgress universally accepted standards of academic integrity, including instances of academic misconduct. Academic misconduct consists of acts of academic dishonesty and academic fraud as defined below. There is no reason or rationale for academic misconduct, nor will the University permit any student to benefit or gain any advantage from any such misconduct.

Examples of Academic misconduct include, but are not limited to:

- Plagiarism - representing another author's ideas, writings or works as one's own or using another's ideas, writings or works without acknowledgment e.g., "cutting and pasting";
- Work that is submitted for one class and is used for another;
- Data fabrication;
- Copying or allowing work to be copied from (this includes examinations, and all written work);
- Unauthorized access to examination questions;
- Modification of examination results;
- Using unauthorized notes or communication devices that provide examination information;
- Individual misrepresentation (i.e. allowing someone else to take one's exam, or taking someone else's exam);
- Collaborating with others in work, contrary to the stated rules of an examination or assignment;
- Assisting other students in any of these acts.

If a student (or all students within a group e.g., a team working on a group project), has been found to commit academic misconduct, s/he may be subject to one of the following consequences, at the discretion of the faculty member, and/or a lower score on the particular assignment or examination:

- 1) An oral or written reprimand (presented to the student);
- 2) An assignment to repeat the work, to be graded on its merits; or,
- 3) A filing of an **Academic Misconduct Warning** reporting the incident to the Chief Academic Officer;
  - A copy of the Academic Misconduct Warning will be placed in the student's academic file.
  - If another Academic Misconduct Warning is filed during the student's course of study, s/he will be dismissed from the program.

If a student disagrees that an act of Academic Misconduct has occurred they may appeal an Academic Misconduct Warning in accordance with the procedures below.

## **Academic Misconduct Appeals Policy**

A student may appeal an Academic Misconduct Warning by requesting a *Determination of Academic Misconduct* from the Chief Academic Officer within 10 days of their written notification of such misconduct, which will be received via an Academic Misconduct Warning form. To request such a *Determination*, the student must send a letter to the Chief Academic Officer including an explanation of the conduct upon which the allegation is based, and why this conduct is *not* academic misconduct. An explanation of *why* the misconduct occurred does not constitute sufficient grounds for an appeal of an Academic Misconduct Warning.

A ruling on the appeal will be issued within 30 days following receipt of the written documentation provided by the student to support their request for a *Determination of Academic Misconduct*. The decision of the Chief Academic Officer is final and cannot be appealed.

In making a Determination of Academic Misconduct, the Chief Academic Officer may uphold the action of the Faculty, in which case the Academic Misconduct Warning will remain in the student's academic file, or may decide that the conduct was not Academic Misconduct. If there has been a determination that the conduct was not Academic Misconduct, the Chief Academic Officer shall direct that all written reports of the misconduct be expunged from the student's academic file. In conjunction with directing that the misconduct report be expunged, the Chief Academic Officer may recommend to the Faculty that they reconsider any actions (such as lowering a grade) that have been taken with respect to the misconduct. However, because of the limitations of academic freedom, the Chief Academic Officer is not empowered to change any grade and may only make a recommendation of a grade change. In an instance in which a course grade has been lowered and the Chief Academic Officer has exonerated the student and made a recommendation for a grade change but the Faculty chooses not to follow the Chief Academic Officer's recommendation, the Chief Academic Officer will prepare a written statement of the findings for inclusion in the student's academic file.

If this is a second incident of Academic Misconduct, the student will be notified of their dismissal. An appeal for a second incident of academic misconduct may also be filed in accordance with this Academic Misconduct Appeals Policy. If there is a determination that Academic Misconduct has not occurred then the dismissal will be rescinded and all other terms of the policy with respect to exoneration will apply.

## ADMINISTRATIVE POLICIES AND PROCEDURES

### **Student Code of Conduct - Rights and Responsibilities**

Students enrolled at Southern States University assume the obligation to conduct themselves in a manner compatible with the University's function as an educational institution, suitable to a member of an academic community. The University, therefore, expects its students to conduct themselves as responsible individuals, considerate and respectful of the rights and interest of others.

The University wants to provide the best possible learning opportunities for all students. Cooperation and respect among students, Faculty and administrative staff builds a positive learning environment. To encourage and maintain this environment, the University will take action against any disruptive behavior that occurs in class or anywhere on the school grounds.

“Disruptive behavior” means conduct which prevents other students from learning or from doing the required class work. Words or actions that prevent Faculty from meeting the needs and goals of the class are also disruptive. Any action or word intended to hurt Faculty, staff, another student, or school property is also disruptive behavior.

The following is a list of some behaviors that are disruptive and therefore *unacceptable*:

1. Showing disrespect or lack of courtesy towards Faculty, staff, or other students
2. Refusing to complete assignments
3. Refusing to cooperate with Faculty or other students in class work or outside assignments
4. Refusing to bring the required textbook and materials to class
5. Sleeping in class
6. Denying other students an equal opportunity to participate in class
7. Arriving late to class repeatedly. This includes returning to class late after a break
8. Arriving at school under the influence of alcohol, illegal drugs or narcotics
9. On campus sale or use of alcohol, or on campus sale, use or knowing possession of illegal drugs or narcotics
10. Repeatedly speaking one's native language during class.
11. Disruption of the educational or administrative process of the University, by acts or expression
12. Physical abuse or threat of abuse to students, University employees, or their families
13. Verbal abuse or intimidation of students or University employees including shouting, use of profanity, or other displays of hostility
14. Violent behavior - any kind of physical violence or harassment will result in immediate dismissal from the program
15. Forgery, altering University documents, or knowingly providing false information
16. Theft of University property or the property of a University employee, student, or visitor
17. Vandalism or unauthorized destruction of University property or the property of a University employee, student, or visitor
18. Possession, use, or threats of use of explosives or deadly weapons on University property
19. Sexually explicit, indecent, or obscene behavior on University property or by any means of communication, including the Internet
20. Sexual harassment
21. Sexual assault

22. Trespassing in an area of the University where the student is not authorized to be, or failure to leave immediately an area when directed by an employee of the University
23. Using University equipment or networks to violate copyrights
24. Violation of other lawful policy or directive of the University or its employees or any action that would grossly violate the purpose of the University or the rights of those who comprise the University

When a violation has occurred, an incident report, including the date, time and circumstances of the alleged act must be submitted to the Dean of Students or the Academic Advisor on campus. The report will include a description of the actions of all the parties involved, the names of witnesses available and documentary evidence that supports the charge. The students suspected of committing any violation of University policy are accorded procedures consistent with fair process before disciplinary action is imposed. The disciplinary action may include an administrative dismissal from the University in which case the student is afforded the opportunity to appeal a dismissal in accordance with the procedures below.

### **Administrative Dismissal**

A student may be administratively dismissed from classes because of non-payment of tuition or fees. In this case a hold will be placed upon the student's enrollment, and the student will not be allowed to enroll in classes again until making the necessary payments. This may lead to SAP dismissal if the lack of enrollment causes the student to fail to make Satisfactory Academic Progress.

A student may be administratively dismissed from a program or a class because of disruptive or unacceptable behavior.

Students administratively dismissed from classes during a term for any reason are required to pay for the cost of the classes that have passed as if the dismissal were a withdrawal, but are not required to pay drop fees. If the administrative dismissal occurs after the Withdrawal Deadline for the quarter, the student is required to pay for the entire term.

A student may be dismissed from the university due to failure to maintain communication with the university for a period of one year.

Students have the right to appeal such actions taken by University administration. Regulations governing original hearings and appeal rights and procedures are designed to give maximum protection to both the individual and the University.

To appeal an Administrative Dismissal a student must submit a Request for Administrative Determination to the Chancellor within 15 days after they have been notified of their dismissal. This Request must be in writing and must include any and all evidence and documentation regarding the circumstances of the student's dismissal, any events or situations that had direct implications on this dismissal, and the grounds of appeal on the specific factor that may have received insufficient consideration. These grounds may include, for example:

- 1) legitimate mitigating circumstances (i.e., death in the family, sickness of the student, etc.)
- 2) an inconsistent or inappropriately harsh penalty
- 3) incorrect use of the disciplinary procedure.

A ruling on the appeal will be issued within 15 days following receipt of the written documentation. The decision of the Chancellor is final and cannot be appealed.

### **Leave of Absence**

A student who needs to interrupt his/her program at Southern States University for a period of time may apply to the Office of the Registrar by completing a Request for Leave of Absence Form by the add/drop deadline.

International students attending school on an F-1 visa must as a rule complete at least one academic year of courses before taking a leave of absence. F-1 students seeking a leave of absence prior to completing an academic year should consult with the Designated School Official (DSO) to see if any exceptions apply.

### **Withdrawal from a Course**

In order to withdraw from a course the students must obtain a Withdrawal Form and submit it to the Registrar's Office. Only when the completed Withdrawal Form has been submitted to the Registrar's Office does the withdrawal become official.

### **Withdrawal from the University**

In order to withdraw from the BBA or MBA programs between academic quarters and submit it to the Registrar's Office. Only when the completed Withdrawal Form has been submitted to the Registrar's Office does the withdrawal become official.

If the student has the need to withdraw during the course of an academic quarter, the student must complete a Withdrawal Form as described in the preceding paragraph, and must indicate on the form that he/she is withdrawing from classes in progress and agrees to pay the fees associated therewith. See the Payments and Refunds section of this catalog to determine if a refund applies.

### **Transfer to another Institution**

Transfer requests are formalized with a Withdrawal Form. This form should be completed before the first day of the academic quarter.

International students must consult with a DSO prior to withdrawing from any courses. Without being admitted to a new institution an F-1 student cannot decide to stop attending classes at SSU. Such action would be a violation of the student's immigration status, and SSU would be required to terminate the student's SEVIS record. Once this occurs, the student would need to apply for re-instatement at the institution he/she wishes to transfer to.

### **Student Rights and Privacy**

SSU students and former students may request access to, or release of, their education records as maintained by the University. Such requests, when made in person, must be made during regular business hours, and in writing on forms provided by the University. If requesting records by mail, the request should be directed to the Registrar. Requests must be in writing, and must specify the purpose of the

request, the records to which the student desires access, or to be released, and to whom they should be released. The University will reply to such requests within 10 business days from the date the request is received.

Education records are any records, with certain exceptions, maintained by University that directly relate to a student's education. This includes any and all information, maintained in any medium, that is directly related to students and from which students can be personally identified.

Each student may request changes to his or her records. Each student may request a determination regarding changes to his or her records. Such requests must be in writing, addressed to the University Registrar, and must include the reasons for requesting such a determination. Upon receipt of the request, the Registrar will initiate a review, consulting with any appropriate University official and/or forwarding the request to such official when necessary. A decision regarding the request will be rendered within 30 days except where a request may require additional pertinent information or verification from an outside agency or party, in which case the decision will be rendered within 30 days after receipt of such information. If a material error in the record is established, or an update is warranted, a change or correction will be made.

### **Access to student education records**

Student files including admission documents and academic records are maintained at the San Diego location for a minimum of five years. Transcript records are maintained permanently

In accordance with the Family Educational Rights and Privacy Act (FERPA), personally identifiable information in education records may not be released without prior written consent from the student. Some examples of information that **MAY NOT BE RELEASED** without prior written consent of the student are:

- birth date
- citizenship
- disciplinary status
- ethnicity
- gender
- grade point average (GPA)
- marital status
- SSN/student I.D.
- Grades/exam scores
- Test scores

The University will not release personally identifiable information from a student's education records without the student's prior written consent. Notwithstanding this policy, exceptions may be made for authorized officials of State or Federal agencies, if and when such access is necessary for audit or evaluation of educational programs supported by such agencies.

## **Directory Information**

FERPA has specifically identified certain information called directory information that may be disclosed without student consent. Southern States University has designated the following information as "Directory Information" within the provisions of Public Law 93-380 and the applicable regulations. This student information may be issued to potential or actual employers, governmental agencies, or other educational institutions by the University at their written request, unless and until a written objection to the release of such information is received from the student.

- Name of student;
- Birthplace and birth date of student (for positive identification);
- Student's address and phone number;
- Currently enrolled (Y/N)
- Dates of student's attendance at Southern States University;
- Certificates, degrees or other awards received by the student;
- Expected date of graduation;
- Most recent previous educational agency/institution attended by student.

For Student Employees:

- Department where employed;
- Employee status (i.e. Administrative Assistant, Marketing Assistant)

## **University Student E-Mail Policy**

Students admitted to the MBA and BBA programs will be assigned an official Southern States University e-mail address. This University e-mail address will be used for all official correspondence and communication between the school and the student indefinitely.

## **Policy on Online Student Verification**

According to the U.S. Higher Education Opportunity Act of 2008, Southern States University needs to verify that a student who registers in our online course management system, Moodle, will be the same student who completes all course assessments as given in a course. At Southern States University, students in online and onsite courses are required to use Moodle, a secured online portal requiring a unique username and password, using the assigned Moodle username as given at the time of admissions at the University. Consequently, individual instructors will be able to check the identity of a student by checking a student's activity record on Moodle which contains the IP address, login and access dates, and specific time spent on Moodle under different activities, such as online exams. There are no additional charges for this online verification process.

## Identity Protection

Upon admission, students will be assigned an individual University e-mail address which will also be used to create the student's Moodle account. Students also must provide the University with their full names which will be used for the creation of a student's account on Moodle. A student's name will be made available to other students enrolled in a course on Moodle; however, email addresses will not. A student on Moodle will have the option of making his/her own email address available to the rest of the participants in a class by setting his/her own profile on Moodle. There are no additional charges for this online identity protection setting.

## Student Responsibility

A student enrolled in an online or onsite course through Moodle is expected to follow the University's academic honesty policy. Cheating and plagiarism (using someone else's ideas, writings or materials as one's own without acknowledgement or permission) can result in any one of a variety of sanctions. Such penalties may range from an adjusted grade on the particular exam, paper, project, or assignment to a failing grade in the course. The instructor may also summarily suspend the student from the class when the infraction occurs. For further clarification and information on these issues, please consult with your instructor and the Student Handbook.

## **Drug, Alcohol and Tobacco Policies**

Southern States University policies concerning the manufacture, distribution, possession or use of controlled substances and the possession and consumption of alcoholic beverages is in compliance with Federal, State and Municipal laws. It is the policy of Southern States University that no person shall manufacture, distribute, possess or use illegal drugs on its premises, or as a part of any of its activities. Members of the University community should understand that this standard of conduct is obligatory and binding in all cases.

Consistent with Federal, State and Municipal law, the University will impose sanctions for violations of this standard of conduct. At the discretion of the Chief Academic Officer and the Chancellor, these sanctions will include one or more of the following:

- A warning to the student, staff person, or member of the faculty;
- Administrative suspension of the student; or suspension of employment of the staff or faculty member;
- Mandatory completion of an appropriate rehabilitation program by the student, staff or faculty member, to occur prior to re-instatement of academic status or employment;
- Administrative dismissal of the student; or termination of employment of the staff or faculty member;
- Referral of violations to appropriate Federal, State and/or Municipal authorities.

Should any member of the SSU community be convicted of a drug statute violation occurring in the work place, s/he is required to notify SSU within five days of conviction.

It is University policy that smoking is prohibited in the classrooms as well as in all other areas within the facilities. Faculty, staff or students who smoke may do so outside of the building in designated smoking areas.

## **Sexual Assault or Harassment**

Sexual harassment is defined as *any attempt to coerce an unwilling person into a sexual relationship, or to subject a person to unwanted sexual attention, or to punish a refusal to comply.*

SSU is committed to creating and maintaining an academic environment dedicated to learning and research, in which individuals are free of sexual assault or harassment from colleagues, faculty, staff, or students.

Anyone who believes that s/he has been subjected to sexual assault or harassment is encouraged to immediately contact the Dean of Students (or the Academic Advisor on campus) or the Chancellor with a written account and details of the incident(s), so that an appropriate investigation can be made. All communications will be held in the strictest of confidence, and the constitutional rights of the individuals involved will be protected.

## **Policy of Non-Discrimination**

Southern States University does not unlawfully discriminate on the basis of race, color, national or ethnic origin, religion, age, sex, sexual orientation, handicap, or prior military service in the administration of its educational policies and procedures. Specifically, the University does not discriminate in admission, financial aid, employment, or entry or exit from educational courses and programs.

## **Student Grievance Policies and Procedures**

The University continually strives to provide a fair and reasonable University governing system and is committed to ensuring that all University parties have access to the information they need regarding the University's policies and procedures. Note that grades are not grievable under this policy (see Grade Appeals in this Catalog).

For students, the University adheres to the following Student Grievance Procedure:

1. If a student has a grievance regarding services or academic procedures, the student must first take responsibility for resolving the grievance by talking with the party with whom they have a grievance. If the matter is resolved at this level (level one), it is considered an informal grievance and the University does not keep a record of the matter.
2. If the matter is not resolved at level one, the student may bring the matter to the attention of SSU administration. An administrator employing a fact gathering procedure in which both parties, and any third parties involved, are asked to review the facts of the matter investigates a grievance at this level. If it is an academic matter, the Vice Chancellor, Academic Affairs will act as mediator (or the Chancellor if the Vice Chancellor, Academic Affairs is an involved party). If it is an administrative matter, the Dean of Students or the Academic Advisor on campus will act as a mediator (or the Vice Chancellor, Academic Affairs if the Dean of Students or the Academic Advisor on campus is an involved party). If the matter is resolved at this level (level two), the University may provide the student with a written response and keep a record of the resolution, but it is still considered an informal grievance.
3. If the matter is not resolved at level two, the student may file a Formal Complaint. To do this the student obtains (from the University Registrar) a Student Complaint Form, completes it, and takes it to the Dean of Students or the Academic Advisor on campus to discuss his/her concerns. In this discussion the student should provide all of the facts and names of those who may be aware of the problem. The institution shall, within 15 days of receiving the complaint, act on the matter. A suggested resolution may be made and presented to both parties independently. If it is an academic matter, the Vice Chancellor, Academic Affairs may suggest the resolution (or the Chancellor if the Vice Chancellor, Academic Affairs is an involved party). If it is an administrative matter, the Dean of Students or the Academic Advisor on campus may suggest the resolution (or the Vice Chancellor, Academic Affairs if the Dean of Students or the Academic Advisor on campus is an involved party). If this action resolves the complaint, then the resolution and the original complaint are filed and the matter is closed. If however the complaint remains unresolved, the matter proceeds to level four. The University also reserves the right to reject a complaint if it is determined to be unfounded. If the complaint is unfounded, the complainant shall be informed in a timely manner.
4. At level four, a conference is set up with both parties, plus the Dean of Students or the Academic Advisor on campus and/or the Vice Chancellor, Academic Affairs. The first attempt in this conference is to review the facts, review the previous attempts at resolution, and attempt a new and successful resolution to which all parties can agree. If there is no agreement at this time, the Dean of Students or the Academic Advisor on campus and/or the Vice Chancellor, Academic Affairs will make a decision on behalf of the University, and will inform the parties in writing of

the final resolution of the complaint. The Vice Chancellor, Academic Affairs has overall responsibility to ensure that student complaints are resolved in a timely manner, and s/he is always available by appointment.

The University will maintain a summary of each formal complaint and its disposition, including reasons for the disposition and any related documents, in the student's file. If the student is dissatisfied with the final resolution as determined by the Vice Chancellor, Academic Affairs (or Dean of Students or Academic Advisor on campus), s/he has the right to file a complaint with the California Bureau for Private Postsecondary Education and/or ACICS, at the addresses below.

## **STUDENT SERVICES**

### **University Housing**

Southern States University is a commuter institution; students are expected to make their own living arrangements. The institution does not have dormitory or housing facilities and has no responsibility to find or assist students in finding housing. However, the University administration is available to provide assistance to students wishing to secure housing, including home-stay, nearby student apartments and other local housing options. Here are websites with information on housing in the San Diego and Newport Beach areas:

San Diego: [http://www.apartmentguide.com/zip/92108-Apartments-For-Rent/?WT.mc\\_id=9027&WT.srch=1&ef\\_id=UU41lgAAAVshdp@z:20130613211515:](http://www.apartmentguide.com/zip/92108-Apartments-For-Rent/?WT.mc_id=9027&WT.srch=1&ef_id=UU41lgAAAVshdp@z:20130613211515:)

### **Social Media**

Today the social media is crucial to all kinds of businesses, but this is especially true in the education field. Social media allows SSU to be connected with prospective students, current students and alumni all around the world. Thus, various social media sites are used to facilitate the University's students' lives. The University posts events, job opportunities and promotes relations between students on social media sites such as on Facebook <http://www.facebook.com/southernstatesuniversity>. On SSU's Facebook page students can exchange books, peruse job opportunities (including instructions for applying for these jobs) and/or socialize with other students. The University recommends its new students join this page to be apprised of all upcoming events at Southern States University.

### **Academic Advising**

#### ***Mission and Purpose***

The Academic Advising Office works with students to help match the university's resources to the needs and goals of students so that they get the maximum benefit from their university experience. Our office encourages and promotes student learning in a welcoming and supportive environment. We clarify university policies, procedures, and requirements to ensure student retention and timely graduation.

Academic advisors facilitate academic responsibility and competence by educating students to use resources effectively, seek and receive guidance on academic program planning, encouraging students to think critically and develop and complete action steps.

#### ***Why Academic Advising is Important***

Advising is a process of helping students diminish the confusion that comes with a new environment to clarify their goals and get the most out of their educational experience. Academic Advising is a planning process that helps students to approach their education in an organized and meaningful way. It is a student-centered process that should result in the student gaining a clearer understanding of his/her goals and the experience of higher education. It is an information exchange that empowers students to realize their maximum educational potential.

### ***Advising is available to help students***

- Diminish confusion: prospective, new, continuing and transfer students
- Understand graduation requirements
- Develop an academic plan
- Discuss transfer credit
- Understand course prerequisites
- Inform academic probation status to avoid SAP dismissal
- Discuss leave of absence
- File grievances and complaints
- Process evaluation of prerequisite and prerequisite exceptions
- Plan your next quarter's schedule

### ***What Are the Students' Responsibilities Regarding Advising?***

***General Catalog.*** Know your catalog year and be sure you know where the University catalog can be found (<http://www.ssu.edu/academic/general-catalogs/>). The General catalog establishes the requirements you must complete for graduation, as well as lists all university academic and administrative policies and procedures.

***See your adviser regularly.*** Don't wait until you encounter a problem before seeing an adviser. Check your degree/academic progress regularly.

***Keep an advising file.*** Keep a personal copy of your academic records transcripts (official or unofficial) from each college or university you have attended.

***Plan your advising sessions during non-peak times.*** Avoid the busy advising times during the registration period and at the first week of classes for continuing students

***Petition to Graduate.*** Graduation is not automatic; you must petition to graduate. Ask your adviser to check on whether you are meeting your graduation requirements and when applicable file your Petition to Graduate

## UNDERGRADUATE PROGRAM

### **Bachelor of Business Administration (BBA) Program**

Southern States University's Bachelor of Business Administration is a four-year degree program structured to provide students with an academic foundation solidly built upon general education and specialized business courses. This approach recognizes that, in today's challenging business environment, success requires a combination of critical thinking and practical business skills. The lower division introductory general education courses are designed to promote critical thinking skills by providing students with a basic knowledge and understanding of the humanities, arts, and sciences, while the lower division introductory business courses are designed to provide students with a basic knowledge and understanding of business fundamentals and practices. The program is structured so that success in the lower division courses will improve the student's confidence and ability to succeed in the more challenging and focused upper division courses. The upper division courses in the BBA program build upon the fundamentals covered in both the general education and business introductory courses, providing a consistent, cohesive undergraduate general education that is also commensurate with the business needs of today and tomorrow. The in-depth general education and business principles and practices that students learn throughout SSU's Bachelor of Business Administration program provide them with the skill set required to succeed in today's competitive business environment. Successful completion of the program requires 180 Quarter Credits.

#### ***BBA Core Objectives:***

#### **Upon completion of the program, BBA graduates will be able to:**

- Apply critical thinking skills in evaluating information so as to make informed, ethical business decisions;
- Identify the various stakeholders, components and issues involved in ethical business practices;
- Understand how business practices shape and influence various stakeholder interests and relationships;
- Understand the practices in and resources available to management, marketing, finance, and accounting functions, and the role each function plays in a business enterprise so as to promote an understanding of the practical interactions among them in determining an enterprise's economic viability;
- Analyze various internal and external business components and relationships so as to ascertain a company's overall strengths and weaknesses and determine how business practices might be improved;
- Have the skills necessary to obtain at least an entry level job in business within one year of graduation from the program.

If they choose to retain only the grades of 2.0 or higher, they will not receive any academic nor financial credit for SSU courses in which they received a grade below those levels. Students subject to dismissal due to their academic status will be deemed dismissed if they choose to withdraw prior to any notification of dismissal.

For students who return to the BBA program after being dismissed by the University for failure to meet Satisfactory Academic Progress standards, SSU will retain any grades of 2.0 or higher for the BBA program as transfer credit that does not affect the GPA, as would be applicable for courses from another university. **Course Numbering**

Southern States University's course numbering system differentiates courses that are appropriate for particular populations of students and helps advisers and students find appropriate courses by providing an indication of the expectations for the level at which the course is taught.

## **UNDERGRADUATE COURSES (100 to 499)**

Courses within this range designate courses primarily for undergraduate students.

### **Lower-division Courses**

Courses numbered at the 100 and 200 levels are lower-division courses designed for first- and second-year students. Courses numbered at the 100 level are generally designed for first-year students and normally do not have prerequisites. Courses numbered at the 200 level are generally designed for second-year students. Courses at the 200 level may be taken by any student; however, where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

### **Upper-division Courses**

Courses numbered at the 300 and 400 levels are upper-division courses designed for third- and fourth-year students. Even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline and therefore, there is the expectation of previous experience in the discipline and third- or fourth-year class standing. Where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

## **GRADUATE COURSES (500 to 599)**

Courses within this range designate courses primarily for graduate students.

Courses numbered at the 500 level are for graduate students. Within this level, even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline. Therefore, there is the expectation that students will complete courses numbered 500 through 519 before courses numbered 520 through 529; courses numbered 530 through 539 are generally designed for students who have completed courses numbered 500 through 529. Where prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

### **Prerequisites**

The prerequisite system is designed to ensure that students have sufficient knowledge and ability to succeed in progressively more challenging courses. A student may petition for an exception to a prerequisite if the student can demonstrate sufficient knowledge or ability through another means (e.g., relevant prior course work, assessment levels, certification, license or work experience). A petition form may be obtained from the University Registrar.

## **BBA Transfer Credits**

Credits earned for comparable course work in a Bachelor Program can be transferred into the Southern States University BBA program if the following conditions are met:

- Originating school must operate with approval of the regulatory agency of the state in which it is located, and have accreditation recognized by the USDE (or equivalent);
- Course descriptions, as detailed in the catalog or syllabi of the originating institution, are comparable to SSU courses;
- Courses must be completed with a minimum GPA of 2.0;
- Coursework must have been completed within seven years of making application to Southern States University;
- Credit value of completed coursework (or clock hours) cannot be less than that required by Southern States University (semester credits are converted to quarter credits by multiplying by 1.5, i.e., 3 semester credits multiplied by 1.5 equates to 4.5 quarter credits).

Students may transfer no more than 135 quarter credits to the undergraduate program. Note that no more than seventy-five (75) percent of SSU's undergraduate degree program can be completed through a combination of (a) transfer and (b) any other award of credit. No more than 50% of SSU's undergraduate degree program can be completed via the online modality. A minimum of twenty-five (25) percent (45 credits) of the program must be completed at Southern States University via the on-campus residential education modality.

Students must petition before the beginning of their second term to obtain credit for any classes completed prior to their enrollment with SSU.

### ***Non-Traditional Collegiate Education Transfer Credit, Including Military Experiential Credit***

SSU accepts non-traditional collegiate education in the form of transferable credits that can be applied towards the Bachelor's Degree. A student may transfer a maximum of 72 credits from a non-traditional setting using the following options:

- A maximum of 72 credits may be earned through the College Level Examination (CLEP)
- A maximum of 27 credits may be transferred from the following programs:
  - ❖ Defense Activity for Non-Traditional Education Support (DANTES) independent study/credit by examination courses
  - ❖ Excelsior College Examinations
  - ❖ Credit that has been recommended by the American Council on Education. This is listed in the ACE National Guide to College Credit for Workforce Training
- A maximum of 45 credits may be transferred from prior military coursework or experience. Coursework or experience must be evaluated by the American Council on Education.

The University does not grant experiential credit for work experience gained outside of the military. SSU maintains a written record of previous education or training of veterans and eligible persons clearly indicating where credit has been granted, if appropriate, and notifies them accordingly.

A student seeking transfer credit must request an official transcript be sent to Southern States University by the college or university awarding credit. In addition, students must submit a completed Petition for Transfer Credit form to the University Registrar. Consideration will be given to Petitions for Transfer Credit based on the aforementioned conditions.

The University does not guarantee transfer of credits.

**NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION**

The transferability of credits you earn at Southern States University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in business is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Southern States University to determine if your credits or degree will transfer.

Southern States University has not entered into articulation or transfer agreements with any other college or university.

## **BBA SATISFACTORY ACADEMIC PROGRESS (SAP)**

In order to progress satisfactorily through an educational program, students must meet the following standards of Satisfactory Academic Progress (SAP) or they will be dismissed from the University.

- 1) All students must complete their program within the Maximum Time Frame (MTF), which is 1.5 times the expected time for program completion.
- 2) Maximum credit hours reflect the maximum allowable quarterly credits before a student is required to graduate or is disqualified from a program.
- 3) Undergraduate students must maintain a minimum cumulative grade point average (GPA) of 2.0 to meet graduation requirements. (See Grading section under Scholastic Rules, Regulations and Academic Policies for information on how to calculate GPA.)

<b>Credits Required for Graduation</b>	<b>Maximum Time Frame</b>	<b>Maximum Credit Hours</b>
180	6 Years	270 Credit Hours

The following measurements are used to determine Satisfactory Academic Progress:

1. A percentage of the Maximum Time Frame (MTF);
2. Minimum cumulative grade point average (GPA);
3. Minimum Successful Completion Rate (MSCR)

<b>Total Required Credits Attempted</b>	<b>Percentage of Total Required Credits Attempted</b>	<b>Minimum Cumulative GPA</b>	<b>Minimum Successful Completion Rate</b>
45	25%	2.0	55%
90	50%	2.0	60%
135	75%	2.0	64%
180	100%	2.0	67%

Both the Minimum Successful Completion Rate and the Cumulative GPA are evaluated at the end of each academic year (an academic year is three quarters in which courses are attempted in each quarter). Additionally, the Minimum Cumulative GPA is evaluated at the end of every academic quarter.

Students who have reached 100% of their MTF are ineligible for Academic Probation, and are subject to immediate dismissal from the University.

### **Policies on Satisfactory Academic Progress (SAP)**

- Students are required to abide by attendance policies to achieve Satisfactory Academic Progress.
- The following grades will lower the percentage of courses successfully completed because of their inclusion in courses attempted:
  - ❖ F or Failing
  - ❖ NP or No Pass
  - ❖ I or Incomplete
  - ❖ W or Withdrawal

- Course repetitions will be counted twice in the percentage of courses attempted, but will only be applied once toward the number of courses completed.
- Courses that have been audited or transferred from another institution are not calculated into the GPA for purposes of SAP.
- If a student completes or leaves the SSU BBA program and later seeks a higher degree in the SSU MBA program, the BBA credits do not carry over to the MBA program GPA for purposes of SAP.

## **Academic Probation**

Students who fail to abide by the terms of SAP will be placed on academic probation. A student in an undergraduate program must maintain an overall grade point average of 2.0 for all undergraduate work attempted. A grade point average of less than 2.0 will result in the student being placed on academic probation.

A student is also subject to academic probation if s/he has three or more ‘Incompletes’ at any time. An “Incomplete” for more than one quarter reverts to an "F" (failing) grade.

When a student is placed on probation because of a substandard grade-point average, the student is required to meet with an Academic Advisor. A plan for improving the grade-point average to 2.0 level or above is made. Undergraduate students are allowed six classes to correct their academic deficiencies (if they do not exceed the Maximum Time Frame). The University recommends that if possible any coursework in which a letter grade of “D” was earned should be repeated while on academic probation.

If a student corrects their academic deficiencies within the allowable timeframe, they will be removed from probationary status.

## **SAP Dismissal**

Students who are on Academic Probation will be dismissed from the University if they fail to abide by the terms of their Academic Probation and/or do not rectify their academic deficiencies in the time allotted.

Students may also be dismissed for failure to make Satisfactory Academic Progress (please see course Repeat policy).

For International Students: Students who have been dismissed for lack of Satisfactory Academic Progress will fall out of status, resulting in termination of their SEVIS I-20. Therefore, if an international student is notified of an SAP Dismissal the student must contact the DSO in conjunction with their status change.

For Veterans: VA educational benefits are discontinued when the veteran or eligible person ceases to make satisfactory progress after two probationary terms. Individuals in this category, subject to such rules, should consult with the appropriate University official regarding SAP Dismissals.

## **Satisfactory Academic Progress Dismissal Appeals Policy**

Satisfactory Academic Progress (SAP) defines the standards that University students must meet to continue their studies; failure to meet these standards will result in dismissal from the University. Prior to being dismissed from the University, when a determination has been made that a student is not meeting SAP, that student will be placed on academic probation (see above section on Academic Probation for probationary terms). If the student fails to meet the terms of their academic probation and correct their academic deficiencies, they will be summarily dismissed from the University (SAP Dismissal).

If a student has been dismissed due to not meeting SAP standards, and wishes to appeal his/her dismissal, the student should first consult with his/her Academic Advisor. If, at the conclusion of any such consultation, the student does not believe there are legitimate grounds for their dismissal, they may file an SAP Dismissal Appeal with the Chief Academic Officer.

An SAP Dismissal Appeal is normally granted when a student can document that a) they have met the terms of their academic probation, and b) legitimate mitigating circumstances, beyond the student's control, were present which affected their academic performance (i.e., personal illness or accident, illness or accident of immediate family or family member, loss of housing, military duty, etc.). An SAP Dismissal Appeal must address the student's compliance with the terms of their probation and explain the mitigating circumstances that led to the substandard academic performance during the probationary period that resulted in their dismissal. Supporting documentation (e.g., doctor's notes, military orders, etc.) must be included with the appeal to substantiate the mitigating circumstances.

The Chief Academic Officer is looking for evidence that a student has met the terms of their academic probation and adequately identified and resolved the issues that led to their substandard academic performance before granting an appeal and permitting them to continue their studies on a reinstatement probationary quarter. Students should provide an explanation of how the circumstances have been resolved, changed or will be different if they are reinstated and permitted to continue their studies. It is strongly recommended that a student meet with their Academic Advisor before submitting their appeal.

To be considered, a student's SAP Dismissal Appeal must be submitted within 15 days after they have been notified of their dismissal and must include any and all evidence and documentation. A student's appeal is considered complete when it is submitted and students will not be permitted to supply any additional facts and/or documentation on their own volition; however, a student may be asked for additional information if it is deemed necessary by the Chief Academic Officer.

A final decision by the Chief Academic Officer will be rendered within 15 days of the SAP Dismissal Appeal submittal. The decision of the Chief Academic Officer is final and cannot be appealed.

## Qualifying Appeals

If a student qualifies for an appeal based on mitigating circumstances, the student will be placed on a reinstatement probationary quarter. At the end of a student's reinstatement probationary quarter, the student will either: 1) be dismissed; 2) remain on reinstatement for one additional quarter; or 3) be returned to good standing. Requirements and criteria for each of these are as follows:

1. The student is dismissed if:
  - a. They withdrew from all courses during the quarter; or
  - b. The GPA for the reinstatement probationary quarter was below 2.0.
2. The student remains on reinstatement probation for one additional quarter if the student's GPA for the reinstatement probationary quarter was at least 2.0 but the student's cumulative GPA remains below 2.0. At the end of the second reinstatement probationary quarter, the student is dismissed if:
  - i. The student withdrew from all courses during the quarter; or
  - ii. They have not corrected their academic deficiencies and their cumulative GPA is below 2.0.
3. The student returns to good standing if:
  - a. The student has completed the quarter; and
  - b. The student's cumulative GPA has improved to at least 2.0.

Students who return to a degree program after voluntarily withdrawing may choose whether to retain all their previous grades or to retain only those of 3.0 or higher (or P in pass/fail courses) with the provision that they will count as transfer credits that do not affect the GPA. If they choose to retain only the grades of 3.0 or higher, they will not receive any academic nor financial credit for SSU courses in which they received a grade below those levels. Students subject to dismissal due to their academic status will be deemed dismissed if they choose to withdraw prior to any notification of dismissal.

For students who return to a degree program after being dismissed by the University for failure to meet Satisfactory Academic Progress standards, SSU will retain any grades of 3.0 or higher (or P in pass/fail courses) as transfer credit that does not affect the GPA, as would be applicable for courses from another university. Previously dismissed students will not receive any academic nor financial credit for SSU courses in which they received a grade below 3.0.

## **Course Numbering**

Southern States University's course numbering system differentiates courses that are appropriate for particular populations of students and helps advisers and students find appropriate courses by providing an indication of the expectations for the level at which the course is taught.

### **UNDERGRADUATE COURSES (100 to 499)**

Courses within this range designate courses primarily for undergraduate students.

#### **Lower-division Courses**

Courses numbered at the 100 and 200 levels are lower-division courses designed for first- and second-year students. Courses numbered at the 100 level are generally designed for first-year students and normally do not have prerequisites. Courses numbered at the 200 level are generally designed for second-year students. Courses at the 200 level may be taken by any student; however, where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

#### **Upper-division Courses**

Courses numbered at the 300 and 400 levels are upper-division courses designed for third- and fourth-year students. Even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline and therefore, there is the expectation of previous experience in the discipline and third- or fourth-year class standing. Where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

### **GRADUATE COURSES (500 to 599)**

Courses within this range designate courses primarily for graduate students.

Courses numbered at the 500 level are for graduate students. Within this level, even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline. Therefore, there is the expectation that students will complete courses numbered 500 through 519 before courses numbered 520 through 529; courses numbered 530 through 539 are generally designed for students who have completed courses numbered 500 through 529. Where prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

## **Prerequisites**

The prerequisite system is designed to ensure that students have sufficient knowledge and ability to succeed in progressively more challenging courses. A student may petition for an exception to a prerequisite if the student can demonstrate sufficient knowledge or ability through another means (e.g., relevant prior course work, assessment levels, certification, license or work experience). A petition form may be obtained from the University Registrar.

In addition, students must submit a completed Petition for Transfer Credit form to the University Registrar. Consideration will be given to Petitions for Transfer Credit based on the aforementioned conditions.

### **Military Coursework and Experiential Credit**

A maximum of 13 credits may be transferred from prior military coursework or experience. Coursework or experience must be evaluated by the American Council on Education. The University does not grant experiential credit for work experience gained outside of the military. SSU maintains a written record of previous education or training of veterans and eligible persons clearly indicating where credit has been granted, if appropriate, and notifies them accordingly.

The University does not guarantee transfer of credits.

### **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION**

The transferability of credits you earn at Southern States University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in business is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be

required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Southern States University to determine if your credits or degree will transfer.

Southern States University has not entered into articulation or transfer agreements with any other college or university.

**MBA SATISFACTORY ACADEMIC PROGRESS (SAP)**

In order to progress satisfactorily through an educational program, students must meet the following standards of Satisfactory Academic Progress (SAP) or they will be dismissed from the University.

- 1) All students must complete their program within the Maximum Time Frame (MTF), which is 1.5 times the expected time for program completion.
- 2) Maximum credit hours reflect the maximum allowable quarterly credits before a student is required to graduate or is disqualified from a program.
- 3) Graduate students must maintain a minimum cumulative grade point average (GPA) of 3.0 to meet graduation requirements. (See Grading section under Scholastic Rules, Regulations and Academic Policies for information on how to calculate GPA.)

Credits Required for Graduation	Maximum Time Frame	Maximum Credit Hours
65	3 Years	97 Credit Hours

The following measurements are used to determine Satisfactory Academic Progress:

1. A percentage of the Maximum Time Frame (MTF);
2. Minimum cumulative (GPA);
3. Minimum Successful Completion Rate (MSCR)

Total Required Credits Attempted	Percentage of Total Required Credits Attempted	Minimum Cumulative GPA	Minimum Successful Completion Rate
32	50%	3.0	60%
65	100%	3.0	67%

Both the Minimum Successful Completion Rate and the Cumulative GPA are evaluated at the end of each academic year (an academic year is three quarters in which courses are attempted in each quarter). Additionally, the Minimum Cumulative GPA is evaluated at the end of every academic quarter.

Students who have reached 100% of their MTF are ineligible for Academic Probation, and are subject to immediate dismissal from the University.

## **Policies on Satisfactory Academic Progress (SAP)**

- Students are required to abide by attendance policies to achieve Satisfactory Academic Progress.
- The following grades will lower the percentage of courses successfully completed because of their inclusion in courses attempted:
  - ❖ D or F, which are both failing grades
  - ❖ NP or No Pass
  - ❖ I or Incomplete
  - ❖ W or Withdrawal
- Course repetitions will be counted twice in the percentage of courses attempted, but will only be applied once toward the number of courses completed.
- Courses that have been audited or transferred from another institution are not calculated into the GPA for purposes of SAP.
- If a student completes or leaves the SSU BBA program and later seeks a higher degree in the SSU MBA program, the BBA credits do not carry over to the MBA program GPA for purposes of SAP.

## **Academic Probation**

Students who fail to abide by the terms of SAP will be placed on academic probation. Graduate program students must maintain an overall grade point average of 3.0 for all graduate work attempted. A grade-point average of less than 3.0 will result in the student being placed on academic probation.

A student is also subject to academic probation if s/he has three or more 'Incompletes' at any time. An "Incomplete" for more than one quarter reverts to an "F" (failing) grade.

When a student is placed on probation because of a substandard grade-point average, the student is required to meet with an Academic Advisor. A plan for improving the grade-point average to 3.0 or above is made. Graduate students are allowed two quarters to correct their academic deficiencies (if they do not exceed the Maximum Time Frame). The University recommends that any coursework in which a letter grade of "C" was earned should be repeated while on academic probation.

If a student corrects their academic deficiencies within the allowable time frame they will be removed from probationary status.

## **SAP Dismissal**

Students who are on Academic Probation will be dismissed from the University if they fail to abide by the terms of their Academic Probation and/or do not rectify their academic deficiencies in the time allotted.

For International Students: Students who have been dismissed for lack of Satisfactory Academic Progress will fall out of status, resulting in termination of their SEVIS I-20. Therefore, if an international student is notified of an SAP Dismissal the student must contact the DSO in conjunction with their status change. For Veterans: VA educational benefits are discontinued when the veteran or eligible person ceases to make satisfactory progress after two probationary terms. Individuals in this category, subject to such rules, should consult with the appropriate University official regarding SAP Dismissals.

## **Satisfactory Academic Progress Dismissal Appeals Policy**

Satisfactory Academic Progress (SAP) defines the standards that University students must meet to continue their studies; failure to meet these standards will result in dismissal from the University. Prior to being dismissed from the University, when a determination has been made that a student is not meeting SAP, that student will be placed on academic probation (see above section on Academic Probation for probationary terms). If the student fails to meet the terms of their academic probation and correct their academic deficiencies, they will be summarily dismissed from the University (SAP Dismissal).

If a student has been dismissed due to not meeting SAP standards, and wishes to appeal his/her dismissal, the student should first consult with his/her Academic Advisor. If, at the conclusion of any such consultation, the student does not believe there are legitimate grounds for their dismissal, they may file an SAP Dismissal Appeal with the Chief Academic Officer.

An SAP Dismissal Appeal is normally granted when a student can document that a) they have met the terms of their academic probation, and b) legitimate mitigating circumstances, beyond the student's control, were present which affected their academic performance (i.e., personal illness or accident, illness or accident of immediate family or family member, loss of housing, military duty, etc.). An SAP Dismissal Appeal must address the student's compliance with the terms of their probation and explain the mitigating circumstances that led to the substandard academic performance during the probationary period that resulted in their dismissal. Supporting documentation (e.g., doctor's notes, military orders, etc.) must be included with the appeal to substantiate the mitigating circumstances.

The Chief Academic Officer is looking for evidence that a student has met the terms of their academic probation and adequately identified and resolved the issues that led to their substandard academic performance before granting an appeal and permitting them to continue their studies on a reinstatement probationary quarter. Students should provide an explanation of how the circumstances have been resolved, changed or will be different if they are reinstated and permitted to continue their studies. It is strongly recommended that a student meet with their Academic Advisor before submitting their appeal.

To be considered, a student's SAP Dismissal Appeal must be submitted within 15 days after they have been notified of their dismissal and must include any and all evidence and documentation. A student's appeal is considered complete when it is submitted and students will not be permitted to supply any additional facts and/or documentation on their own volition; however, a student may be asked for additional information if it is deemed necessary by the Chief Academic Officer.

A final decision by the Chief Academic Officer will be rendered within 15 days of the SAP Dismissal Appeal submittal. The decision of the Chief Academic Officer is final and cannot be appealed.

## Qualifying Appeals

If a student qualifies for an appeal based on mitigating circumstances, the student will be placed on a reinstatement probationary quarter. At the end of a student's reinstatement probationary quarter, the student will either: 1) be dismissed; 2) remain on reinstatement for one additional quarter; or 3) be returned to good standing. Requirements and criteria for each of these are as follows:

1. The student is dismissed if:
  - a. They withdrew from all courses during the quarter; or
  - b. The GPA for the reinstatement probationary quarter was below 3.0.
2. The student remains on reinstatement probation for one additional quarter if the student's GPA for the reinstatement probationary quarter was at least 3.0, but the student's cumulative GPA remains below 3.0. At the end of the second reinstatement probationary quarter, the student is dismissed if:
  - i. The student withdrew from all courses during the quarter; or
  - ii. They have not corrected their academic deficiencies and their cumulative GPA is below 3.0.
3. The student returns to good standing if:
  - a. The student has completed the quarter; and
  - b. The student's cumulative GPA has improved to at least 3.0.

## **INTENSIVE ENGLISH PROGRAM (IEP)**

The current catalog listing of the Intensive English program will be effective beginning November 26, 2012. For all information regarding the Intensive English program prior to November 2012, please see the prior Catalog for 2011-2012.

**Intensive English Program:** Southern States University's Intensive English Program provides English Language Learners with six skill levels of instruction, ranging from beginning to advanced, including Advanced English Skills Development (AESD). -These integrated skills courses are referred to as Core Classes, and are supplemented by Topic Classes, such as, but not limited to, American Culture and Society, Speech and Pronunciation, Academic Writing, Current Events, Conversation and Idioms, and TOEIC Preparation. Topic classes offered are subject to change and vary between campuses.

**Upon completion of the IEP program, students will have achieved the following:**

- Improvement in overall language skills including use of proper grammatical structures, situational vocabulary and interpersonal communication skills.
- Increased written and oral fluency in English, as well as improved comprehensibility.
- The ability to identify, understand, and produce grammatical structures in accordance with the course level they have taken.
- Cross-cultural awareness and sensitivity pertinent to their course level.

### **Intensive English Program Overview**

A typical intensive English program class consists of between 10 and 25 students of similar skill levels. Southern States University instructors employ a full range of teaching methodologies and strategies that allow students to develop their reading, writing, listening, and speaking skills.

Each core class has a required textbook. The core textbook integrates the four language learning skills (listening, speaking, reading, and writing) and critical thinking. The textbook is supplemented by teacher-provided materials that enhance the learning process. Classes are offered in the morning and evening to fit a variety of schedules. Minimum enrollment is four weeks.

### **Intensive English Program Attendance Policies and Federal Regulations**

In SSU's Intensive English classes, instructors record attendance on a daily basis, and students are expected to be in class on time, every day. Students on F1 visas are required by Federal law to attend 18 hours of instruction in class every week. Students are expected to attend 100% of their scheduled classes, 18 hours of instruction per week (12 hours of core class and 6 hours of topic class). Unless evidence of legitimate mitigating circumstances can be verified by the DSO, failure to maintain 70% attendance will result in termination of student status by the P/DSO. Tuition is non-refundable if a student is terminated.

Specific details of calculating and monitoring student attendance requirements in the Intensive English Program can be found in the Student Handbook for the Intensive English Program.

For International Students: Students who have been dismissed for not meeting attendance requirements will be terminated in the SEVIS system in accordance with all applicable SEVP regulations.

**IMPORTANT: Except under legitimate mitigating circumstances, if a student leaves the class early, s/he will be marked absent for the entire class period.**

## **Placement and Orientation Procedures**

Prior to beginning studies at SSU, all students are required to take an *English Placement Test (EPT)*. The EPT is composed of 3 elements:

- 1) English Placement Test
- 2) A writing test
- 3) An oral interview

Based on the results of the EPT, students are enrolled in the appropriate level of instruction. A general orientation session is conducted at the same time as placement testing. The orientation session covers issues such as class schedules, books and materials, attendance, and academic advancement. All students receive a Student Handbook and sign a *Receipt of Student Handbook form* on the day of orientation.

## **Level Progression**

Class levels from “Beginning” through AESD each correspond to an English proficiency level and are set up according to two 13-week-quarters, or one full cycle. At the end of each quarter, students take a formal exam. After the first quarter of the course students take the Progress Exam. Passing the Progress Exam does not enable students to move on to the next level; rather, the Progress Exam is a measure of their progress through the first quarter only. After the second quarter of the class, one full cycle, students take the Final Course Exam. The Final Course Exam is comprehensive over the two full quarters of the level. In addition, during weeks 1-11 of each quarter, the students will be scored on weekly assessments in reading, writing, listening, and speaking. These weekly assessments make up 25% of the course mark. If a student receives an average score of 75% on both the Final Course Exam and the weekly assessments, s/he is eligible to advance to the next level of the program. After being placed in the program, students may move to a higher skill-level class ONLY upon having passed the Final Course Exam or the Level up Exam.

If a student feels that s/he has made sufficient progress to advance to the next level prior to the end of the second thirteen week quarter of the level, s/he may request to take a Level up Exam (offered during weeks 6 through 8 of each quarter) in order to qualify for this move. Students must study for at least 4 weeks at a given level to be eligible for the Level up Exam.

## **Individual Student Reports**

IEP courses operate on two thirteen week quarters, and ongoing student progress is recorded on a student’s Individual Student Report (ISR). The ISR includes assessment results from quizzes, weekly assessment scores on reading, writing, speaking, and listening, and Progress Exam or Final Course Exam score, as well as the student’s current level, and the instructor’s comments and recommendations for the upcoming quarter. The ISR is a progress report of students’ performances in IEP courses. A copy of the ISR is given to students at the end of each quarter during a conference session with the core teacher, and may be forwarded to another academic institution, upon written request by the student.

## **Normal Academic Progress**

In order to ensure all students are making normal progress, all students are limited to two cycles, 4 quarters, in each level, except in unusual circumstances or if the student began the course in the second quarter of the level. Students who begin the level in the second quarter of a level may take the course for an additional 5th quarter in order to ensure that they can achieve proficiency at that level. In addition, if students begin the level with 4 weeks or less left in the quarter, that quarter does not count against them in the 4 quarter limit.

The exception to this 2 cycle, (4 quarter) limit is in the Advanced English Skills Development class (AESD). In order to ensure that all students are making satisfactory academic progress, a student may not remain in AESD for more than 2 quarters (1 cycle), unless they begin the course with 4 weeks or less left in the quarter, in which case that quarter does not count against them in their 2 quarter limit.

## **Intensive English Program Verification**

While the minimum program enrollment period is four weeks, completion of each session requires that a student be engaged in the program for a minimum of 13 weeks (1 quarter). Students who complete at least 13 weeks of study are awarded a Verification of IEP Session Completion. Students who leave the school prior to 1 academic quarter (13 weeks) of study may request a Verification of IEP Session Participation.

## **STUDENT TUITION RECOVERY FUND**

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered students who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education. You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party."
