## *Chancellor's List – Summer 2018*

SSU regularly recognizes students who have achieved a GPA of 3.8 or higher during the previous quarter by including their names on the Chancellor's List. Students listed here achieved this honor in the Spring 2018. The high caliber of scholarship achieved by these students enhances the quality of education for all of our students at our learning community. I congratulate them for their contribution to scholarly life at Southern States University.
