Excessive Class Acknowledgment

Student ID: _____

Campus: _____

I, _____, have been informed that taking more than three classes in the graduate level program is not recommended by the Southern States University staff and educators. I understand that should I earn a non-passing grade in any of these classes I may be put on academic probation, will be responsible to pay the full tuition rate for the courses, and will be accountable to retake those courses that I have failed at the regular tuition rate.
