DISTANCE EDUCATION POLICIES

SSU offers a distance education program where the instruction is not offered in real time. The institution shall comply with the following: 1) the institution shall transmit all lessons and materials to the student if the student has fully paid for the educational program and, after having received the first lesson and initial materials, requests in writing that all of the material be sent; 2) if an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, but shall not be obligated to pay any refund after all of the lessons and materials are transmitted. (5 CCR §71716 (c)(1)(2))

SSU offers a distance educational program where the instruction is not offered in real time. SSU shall transmit the first lesson and any materials to any student within seven (7) days after the institution accepts the student for admission. (5 CCR §71716(a)) Additionally, approximate seven (7) days will elapse between the institution's receipt of student lessons, projects, or dissertations and the institution's mailing of its response or evaluation back to the student. (5 CCR §71810 (b)(11))

STUDENT LOANS

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. **Ed. Code §94911 (f)**

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid. **Ed. Code §94911 (g)(1)(2)**

NOTICE: YOU MAY ASSERT AGAINST THE HOLDER OF THE PROMISSORY NOTE YOU SIGNED IN ORDER TO FINANCE THE COST OF THE EDUCATIONAL PROGRAM ALL OF THE CLAIMS AND DEFENSES THAT YOU COULD ASSERT AGAINST THIS INSTITUTION, UP TO THE AMOUNT YOU HAVE ALREADY PAID UNDER THE PROMISSORY NOTE.

For any amount not covered by loans, SSU provides payment plan options to students as detailed below.

SOUTHERN STATES UNIVERSITY

ENROLLMENT AGREEMENT (Degree-California)

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid for attendance through the first class session or the seventh day after enrollment, whichever is later.

To cancel enrollment and/or obtain a refund, the student must provide written notice to the Office of the Registrar. If the student cancels the Agreement, the School will refund any money that s/he has paid, less any deduction for nonrefundable fees, and for any equipment not returned in good condition; within thirty days after his/her Notice of Cancellation is received.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. SSU does not currently participate in federal aid programs.

To cancel enrollment and/or obtain a refund, the student must provide written notice to the Office of Registrar, Southern States University, by mail at 1094 Cudahy Pl, Suite 120 San Diego, CA 92110 or by email at registrar@ssu.edu

STUDENT'S RIGHT TO CANCEL IN DISTANCE EDUCATION

The student in a distance education program that is not offered in real time shall have the right to cancel the enrollment agreement and receive a full refund before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent.

To cancel enrollment and/or obtain a refund, the student must provide written notice to the Office of the Registrar. If the student cancels the Agreement, the School will refund any money that s/he has paid, less any deduction for nonrefundable fees, and for any equipment not returned in good condition; within thirty days after his/her Notice of Cancellation is received.

If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. SSU does not currently participate in federal aid programs.

To cancel enrollment and/or obtain a refund, the student must provide written notice to the Office of Registrar, Southern States University, by mail at 1094 Cudahy Pl, Suite 120 San Diego, CA 92110 or by email at registrar@ssu.edu

STUDENT'S REFUND POLICY

Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. Students who withdraw before 60% of a quarter is completed are eligible to receive a partial refund of tuition and fees paid. Students have a right to cancel their enrollment agreement and obtain a refund by submitting a *Withdrawal Form* to the Registrar's Office prior to the withdrawal deadline. Only when the completed *Withdrawal Form* has been submitted to the Registrar's Office does the withdrawal become official. The effective date used to determine a refund of fees will be based and computed from the last possible date of class attendance (regardless of whether the student attended).

Refunds will be made within 30 days of official withdrawal, or within 30 days of the date of the last possible day of the student's attendance. The refund distribution will be handled as prescribed by federal and state law, as well as according to accrediting body regulations. The refund procedure is uniformly applied to all students, regardless of the form of their tuition payment. In case of conflicting laws and/or regulations, Federal and/or State regulations will take precedence in that order. A student may receive a refund check only when the refund amount exceeds the balance that he/she owes to the University. The basis for refunds is as follows:

Students who cancel their registration and withdraw from the University on or before the first day of a term are eligible for a full refund of all fees paid for that term (and any future terms that have been prepaid) less the nonrefundable fees. For an example please see below:

SOUTHERN STATES UNIVERSITY ENROLLMENT AGREEMENT (Degree-California)

$$\text{Refund Amount} = \text{All prepaid amounts} - (\text{non-refundable fees})$$

Students who withdraw from the University after the first day of the term, but prior to completion of greater than 60% of the term currently enrolled in, are entitled to a refund on a prorated basis, less the non-refundable fees. Please see the example below:

$$\text{Refund Amount} = [(\text{All prepaid amounts for the courses being withdrawn from}) \times (\text{weeks left to be completed} / \text{total number of weeks in quarter})] - (\text{non-refundable fees})$$

If the (weeks left to be completed / total number of weeks in quarter) is less than 40%, then no refund is due to the student.

STUDENT TUITION RECOVERY FUND

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”
